

### Reference letter

WASCO Finland OY expresses its gratitude and thanks GIP LLC for close and fruitful cooperation in the NORD STREAM 2 project in 2016-2017 in the field of automation of the concrete weight coating line for large diameter pipes.

WASCO Finland OY recommends GIP LLC as a software developer for PLC, SCADA systems, product tracking systems. GIP LLC employees, having vast experience in the field of production processes automation, can always offer original, non-standard solutions to the most complex issues, and also perform their work properly and on time.

WASCO Finland OY wishes your company prosperity and hopes for further development of our relationship.

A handwritten signature in blue ink, followed by the date '09.06.2017', both written above a horizontal line.
